NEOSHO TO GET POWER FROM WHITE RIVER DAM

Neosho, Aug. 28.—The poles and wire connecting the plant of the Neosho Electric Light company with the big dam and electric machinery at Powersite, in Taney county, is practically completed, and it will be only a short time until this city is supplied with lights and power from that source. The line was completed to Granby a couple of months ago, for the purpose of furnishing power to the Granby company's new mill, and also to supply lights to the business houses and residences in Granby. 65 m d&w p.
